Introduction

Planters by Border Concepts may be just what your home, restaurant, or commercial site needs for that extra dazzle. Whether you are defining space, enhancing beauty, or hiding unwanted views; these planters are a must.

Border Concepts is America’s #1 specified steel edging manufacturer and known for quality and dependable service. Now, we bring you planters by Border Concepts. These high quality and in-stock planters are available in 6 shapes and 6 colors. Your choice of heavy gauge aluminum, powder coated BORCON or BORCON Weathered Steel.

Planters are fully customizable to fit your specific project. All built by skilled craftsmen and welders right here in the U.S.A. and shipped nationwide within days.

Note: All BORCON Weathered Steel planters are shipped in their raw, unrusted state unless additional pre-weathering is added.
