**BORDER CONCEPTS, INC. WAS FOUNDED IN  
1990 TO MANUFACTURE STEEL EDGING.  
BCI HAS DEVELOPED OVER 12 SEPARATE  
PRODUCT LINES AND FOCUSES ON  
SUPPLYING QUALITY PRODUCTS TO THE  
ENTIRE GREEN INDUSTRY.**

### **Our Word**

Integrity defines the passion our staff brings to filling each order. When business was done with a handshake the gesture symbolizes the honoring of another's integrity. While the purchase order may have replaced the handshake, integrity drives us.

### **Our Reputation**

BCI carries our original, nationally recognized reputation as a premier commercial supplier of steel landscape edging into each of our divisions. We supply our customers with more than products. We offer them value which they pass on to the public.

### **Our Vision**

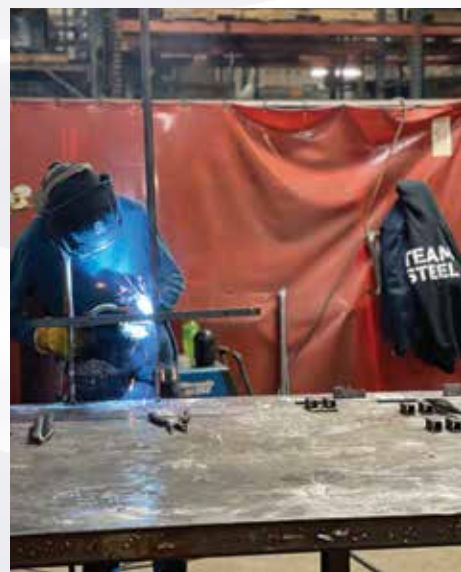

Our vision is to provide an extremely high quality line of innovative metal landscape, lawn and garden items that economize all aspects of the buying/selling and shipping process. BCI offers a complete metal hard goods line for every aspect of the landscape & lawn and garden industries.

### **Our People**

BCI is a team of salespeople, service professionals and manufacturers whose committed work ethic places the customer first.

### **Our Customers**

Our multifaceted company services the majority of the interrelated fields of the lawn and garden industry such as Landscape Architects, independent garden centers, landscape contractors, wholesale landscape supply yards, distributors, regional garden center chains, and hardware stores.

# EDGING

## Steel Edging Specifications

Edging is fabricated in 10' and 16' sections with anchor stake pockets stamped 32" on center. Use included 15" tapered steel anchoring stakes (3/16" thick) provided by manufacturer. Edging and stakes are finished with exterior enamel paint.

BORDER Flex™	13 gauge x 4" x 10'

# COMMERCIAL PLANTERS

## Commercial Planters by Border Concepts

Planters by Border Concepts may be just what your home, restaurant, or commercial site needs for that extra dazzle. Whether you are defining space, enhancing beauty, or hiding unwanted views. These planters are a must.

All built by skilled craftsmen and welders right here in the U.S.A. and shipped nationwide within days.

Note: All BORCON™ Weathering Steel planters are shipped in their raw, unrust state unless additional pre-weathering is added.

## FEATURES

- Fully seam welded
- Natural patina that last 5X longer than normal steel
- Powder-coated or hand sprayed in custom colors
- 1/8" thick steel
- 1" bent top lip
- With or without bottom
- With or without drain holes
- Custom sized available

### AVAILABLE IN:

- Available in mild steel specifically painted to match your specifications
- Contact us for your affordable project specific sizes

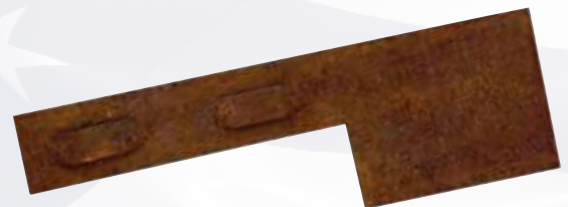

## Landscape Architects and Designers will appreciate BORCON™ weathering steel due to the following:

- Combination of strength and durability with minimal thickness, resulting in the creation of fine, elegant solutions for the outdoor space.
- Natural, warm, and specific hues, which easily blend into the overall landscape and add to the identity of a unified site.

## BORCON™ Key Differentiators

- Lasts 5X longer than normal painted steel
- Dynamic appearance and texture
- Beautiful patina
- Increased flexibility and workability
- Long-term performance/long-lasting (longer lasting & less expensive than aluminum)
- Less expensive vs. comparable products
- Low-maintenance
- Save time and money without having to touch up or re-paint
- Perfect for LEED Projects
- Made from over 60% recycled steel
- Environmental benefits
- Made in the USA

**PROPRIETARY METAL COMPOSITION**  
Designed to give an aesthetic rust look
